- Changed verbiage of Cyber Fraud Warning

#### F201 Purchase & Sale

- Cyber Fraud Language Changed
- (1/1/19) Beware of Cyber Fraud: Fraudulent e-mails attempting to get you to wire money to criminal computer hackers are increasingly common in real estate transactions. Under this scam, computer hackers fraudulently assume the online identity of the actual mortgage lender, closing attorney and/or real estate broker with whom you are working in the real estate transaction. Posing as a legitimate company, they then direct you to wire money to them. In many cases, the fraudulent e-mail is sent from what appears to be the authentic web page of the legitimate company responsible for sending the wiring instructions. You should use great caution in sending or receiving funds based solely on wiring instructions sent to you by e-mail. Independently verifying the wiring instructions with someone from the company sending them is the best way to prevent fraud. In particular, you should treat as highly suspect any follow up e-mails you receive from a mortgage lender, closing attorney and/or real estate broker directing you to wire funds to a revised account number. Never verify wiring instructions by calling a telephone number provided along with a second set of wiring instructions since you may end up receiving a fraudulent verification from the computer hackers trying to steal your money. Independently look up the telephone number of the company who is supposed to be sending you the wiring instructions to make sure you have the right one.

#### F201 Purchase & Sale

(1/1/20) WARNING TO BUYERS AND SELLERS: BEWARE OF CYBER-FRAUD. Fraudulent emails attempting to get the buyer and/or seller to wire money to criminal computer hackers are increasingly common in real estate transactions. Specifically, criminals are impersonating the online identity of the actual mortgage lender, closing attorney, real estate broker or other person or companies involved in the real estate transaction. In that role, the criminals send fake wiring instructions attempting to trick buyers and/or sellers into wiring them money related to the real estate transaction, including, for example, the buyer's earnest money, the cash needed for the buyer to close and/or the seller's proceeds from the closing. These instructions, if followed, will result in the money being wired to the criminals. In may cases, the fraudulent email is believable because it is sent from what appears to be the email address/domain of the legitimate company or person responsible for sending the buyer or seller wiring instructions. The buyer and/or seller ...

#### F201 Purchase & Sale

independently looking up and calling the telephone number of the company or person purporting to have sent them. Buyers and sellers should never call the telephone number provided with wiring instructions sent by email since they may end up receiving a fake verification from the criminals. Buyers and Sellers should be on the alert for: 1) emails directing the buyer and/or seller to wire money to a bank account in a state other than Georgia; and 2) emails from a person or company involved in the real estate transaction that re slightly different (often by one letter, number, or character) from the actual email address of the person or company."

### Contract Tip: "Beware of Cyber Fraud"

- Agent should NEVER share wiring instructions from Closing Attorney to Public
- Agent should NEVER email wiring instructions (i.e. for Earnest Money to Broker)
   Agent should have wire fraud disclaimer on email signature
- Wire instructions should be delivered to public by hand, US mail, analog fax
- Agent should have wire instructions for their Broker & Closing Attorney & HAND to client at first meeting – to avoid any delays & getting these instructions to the public once under contract
- Agent should warn client about not trusting any
   changes they get to wire instructions via email or text

#### F201 Purchase and Sale

#### F249 CounterOffer

- ¶ D Clean Copy Added verbiage about initialing Exhibits
- D. Clean Copy of Agreement. "At any time prior to closing, either party if so requested by the other shall sign a conformed or "clean" copy of the Agreement combining the terms of Original Offer with the controlling and supplemental provisions of this Counteroffer into one (1) document, including initialing or signing, as the case may be, all exhibits."

#### F249 CounterOffer

- Contract Tip: Confusion on Seller initialing / signing Exhibits from Original Offer
- \*C. Effect of Accepting This Counteroffer. When this Counteroffer is signed by the Buyer and Seller and a copy of the same is delivered to both parties, a legally binding agreement shall be formed. Since the Original Offer (including all exhibits thereto) is incorporated by reference into this Counteroffer, only this Counteroffer needs to be signed to create a legally binding agreement between the parties."
- So Seller does NOT need to sign Exhibits from Original Offer

#### F249 CounterOffer

- Contract Tip: Exhibits that Should Have Seller Initials & Be Available to Potential Buyers for Writing an Offer:
  - F301 Seller's Property Disclosure Statement
  - F322 Community Association Disclosure Exhibit

- Note on EPA:
- Also use CB04 Lead Based Paint Pamphlet (EPA)
- ► EPA fines Brokers / Agents \$16,000 per missing initial/signature

#### F249 - CounterOffer

- Note: If a Lender wants the Financing Contingency Exhibit signed, best way to handle this is by creating a Conformed Copy
  - Also if any party (or Lender or Closing Attorney)
     wants a Conformed "clean" copy
  - Complete a Purchase & Sale Agreement & all Exhibits with terms that reflect the actual final agreement

#### F249 - CounterOffer

- "Buyer and Seller acknowledge that the above Agreement is a conformed copy of an Agreement between the parties dated

In the event of any conflict between this conformed Agreement and the original thereof, all parties agree that the original Agreement shall control."

If neither party provides such notice to the other within three (3) days of the date Seller provides Buyer with the written estimate of the above-referenced cost of the repairs (or the parties otherwise fail to agree in writing within the timeframe as to how the excess repair costs will be paid), then this Agreement shall automatically terminate. - ▶ Earnest Money Must Be Sent to Closing Attorney Acting as Holder by Wire or ACH. Buyer shall be responsible for sending all earnest money and other Buyer trust funds to the Closing Attorney acting as Holder by wire transfer of immediately available funds or ACH and immediately notify Seller when the same has been accomplished. This provision shall only apply if the Holder is the Closing Attorney.
- Contract Tip: Most Closing Attorneys in Metro Atlanta do NOT accept funds into their ACH accounts so if Buyer/Seller tries to ACH funds to the attorney, there will most likely be a banking "hold" on those funds prior to them being returned to the Buyer/Seller.

# F510 - Closing Attorney as Holder of Earnest Money (2019 Midyear Change)

- ¶7 All Cash Transaction that terminates & EM disbursement is disputed - Attorney MUST interplead into a court - NO attorney contract interpretation

# F525 Acknowledgement of Person Contributing Earnest Money on Behalf of Buyer

(1/1/20) C.8. WARNING TO BUYERS AND SELLERS: BEWARE OF CYBER-FRAUD. Fraudulent emails attempting to get the buyer and/or seller to wire money to criminal computer hackers are increasingly common in real estate transactions. Specifically, criminals are impersonating the online identity of the actual mortgage lender, closing attorney, real estate broker or other person or companies involved in the real estate transaction. In that role, the criminals send fake wiring instructions attempting to trick buyers and/or sellers into wiring them money related to the real estate transaction, including, for example, the buyer's earnest money, the cash needed for the buyer to close and/or the seller's proceeds from the closing. These instructions, if followed, will result in the money being wired to the criminals. In may cases, the fraudulent email is believable because it is sent from what appears to be the email address/domain of the legitimate company or person responsible for sending the buyer or seller wiring instructions. The buyer and/or seller ...
