Directions for Filling Out This Community Association Disclosure ("Disclosure"). Seller must fill out this Disclosure accurately and completely. If new information is learned by Seller which materially changes the answers herein, Seller must immediately update and provide Buyer with a revised copy of this Disclosure up until Closing (see Section B for Seller's payment obligations related to initial and updated Disclosures). Seller should ensure the disclosures being made are accurate by confirming the same with the Community Association ("Association") and/or Association Manager(s).

**Buyer's Use of Disclosure**. While this Disclosure is intended to give the Buyer basic information about the community in which Buyer is purchasing, Buyer should read the covenants and other legal documents for the community ("Covenants") to fully understand Buyer's rights and obligations therein. This Disclosure does not address all issues that may affect Buyer as the owner of a residence in the community. Assessments in community associations tend to increase over time. The Covenants can normally be amended to reflect the changing preferences in the community.
